The German-made M5Xi series features world-class engineering and optical systems, built to strict military specs and precisely crafted for victory – on the battlefield, or in competition. The 3-15x is for mid-range shooting, ideal for snipers using the M10 platform or competition shooters with precision bolt guns.

Medium-range scope with 34 mm tube, your choice of etched glass G2B mil-dot reticle, MSR or Horus® H59® reticle, or the TReMoR 2 and TReMoR 3 reticles; patented DuoScale™ elevation adjustment with a second-rotation scale that’s hidden when inactive.
