MR1 is the semi-automatic rifle that better symbolizes all that of Benelli: energy, versatility and reliability. The A.R.G.O. gas operating system, the safe hard-wearing locking system, and the use of high-quality materials constructed in compliance with the strictest industrial parameters, means that MR1 can guarantee high performance in a .223 caliber Remington. Easily handled, 100% reliable, hard-wearing, durable, safe, versatile, easy to use and precision shooting, the MR1 is perfect for law enforcement in all situations and conditions.
