Supernova Pump-Action Shotgun

Benelli

Shown in black with ComforTech® stock

Multiple Configurations Available

Shown in black with Pistol Grip and Telescoping stock

Shown in black with Pistol Grip

The SuperNova Tactical shotgun is a lightweight, rock-solid pump-action. The SuperNova is available with a choice of three modular buttstocks: Pistol Grip, ComforTech®, and a telescoping stock. The proprietary technology MAG-STOP allows a rapid interchange of the chambered ammo in order to have the right round for the operational need in seconds. Includes host-ring or open rifle sights, steel skeletal framework over-molded with high-tech polymer, and a forend shell-stop button.
