

GLX160 A1 Grenade Launcher

GLX160 A1, shown in black on ARX160 A3 and as a stand alone

Multiple Configurations Available

GLX160 A1, shown in black on Colt M16

GLX160 A2, shown in coyote brown on ARX160 A2

The GLX160 grenade launcher has been specifically designed to be fully integrated with the ARX160 rifle, furthermore, thanks to its fast mount attachment, the GLX160 can be easily added on any rifle provided with a proper interface.
