

P1042 Law Enforcement Binocular

P1042 Law Enforcement 10x42 Binocular

The Steiner P-Series binoculars are designed for patrol duty, tactical operations and surveillance missions that require fast capture, clear images and sharp detail under all conditions. The compact roof prism models offer lightweight mobility and handling, and crisp bright images from full sun to low light. You get more power and performance without sacrificing weight or adding bulk to your field gear.
