

# P1050 Law Enforcement Binocular

**STEINER** 

**P1050 Law Enforcement 10x50 Binocular**

The Steiner P-Series binoculars are designed for patrol duty, tactical operations and surveillance missions that require fast capture, clear images and sharp detail under all conditions. The porro prism design delivers bright, three-dimensional images, sharp resolution, and wide field of view. From low light to full sun, extended surveillance to sudden action, the P-Series gives you a distinct advantage.

10x power and large objectives provide low-light image clarity and stable, comfortable view for extended surveillance.
