

P830 Law Enforcement Binocular

STEINER 

P830 Law Enforcement 8x30 Binocular

The Steiner P-Series binoculars are designed for patrol duty, tactical operations and surveillance missions that require fast capture, clear images and sharp detail under all conditions. The porro prism design delivers bright, three-dimensional images, sharp resolution, and wide field of view. From low light to full sun, extended surveillance to sudden action, the P-Series gives you a distinct advantage.
